

## Lancer Band Joliet Slammers Performance

Monday, March 14, 2022

This year, the Laraway Lancer Band will perform before a Joliet Slammers baseball game! The performance will take place on the evening of **Tuesday, May 17** before the game begins. The Lancer Band will perform three songs on the field and all families are invited to attend!

The performance will be at approximately **6:00pm** (first pitch is at 6:35pm). After the performance, students will put their instruments away and then will be able to watch the game! Because of all of the instruments on the bus, students will need to ride the bus back to school, to ensure that their instrument makes it back safely into the school. After the game is over, **all students will need to be picked up from Laraway.**

A donation was made to the band for marching in the Light Up the Holidays parade, and a fundraiser was held at the school with staff members. Due to these two opportunities, the cost of the performance for students is **free!** Each student will receive a ticket to the game, a voucher for dinner, and a band shirt to wear for the performance.

Family members may also come to the game for a fun evening out and to support the band! Tickets are available to purchase through the Laraway Band for \$2 a ticket. **If you are interested in purchasing tickets, please fill out and return the ticket interest form below by Wednesday, March 23. We need to send an estimated ticket count by next week.** You can add/subtract tickets from your order, but we need a general idea of how many tickets to reserve. A ticket interest form will also be sent out via e-mail (you only need to complete one). All ticket money is due no later than Friday, April 22.
